DRIVING UP GRADE <table style="width: 100%; border-collapse: collapse;"> <tr><td>In proper gear</td><td style="text-align: center;">☐</td></tr> <tr><td>Stays in right lane</td><td style="text-align: center;">☐</td></tr> <tr><td>Uses 4-ways if slow</td><td style="text-align: center;">☐</td></tr> <tr><td>Traffic check</td><td style="text-align: center;">☐</td></tr> <tr><td>SEARCH</td><td style="text-align: center;">☐</td></tr> <tr><td>DIRECTION</td><td style="text-align: center;">☐</td></tr> <tr><td>SPEED</td><td style="text-align: center;">☐</td></tr> <tr><td>No errors</td><td style="text-align: center;">☒</td></tr> </table> DRIVING DOWN GRADE <table style="width: 100%; border-collapse: collapse;"> <tr><td>Clear brakes</td><td style="text-align: center;">☐</td></tr> <tr><td>In proper gear</td><td style="text-align: center;">☐</td></tr> <tr><td>Steady braking on grade</td><td style="text-align: center;">☐</td></tr> <tr><td>Does not ride clutch</td><td style="text-align: center;">☐</td></tr> <tr><td>Maintain steady speed</td><td style="text-align: center;">☐</td></tr> <tr><td>Traffic check</td><td style="text-align: center;">☐</td></tr> <tr><td>SEARCH</td><td style="text-align: center;">☐</td></tr> <tr><td>DIRECTION</td><td style="text-align: center;">☐</td></tr> <tr><td>SPEED</td><td style="text-align: center;">☐</td></tr> <tr><td>No errors</td><td style="text-align: center;">☒</td></tr> </table>			In proper gear	☐	Stays in right lane	☐	Uses 4-ways if slow	☐	Traffic check	☐	SEARCH	☐	DIRECTION	☐	SPEED	☐	No errors	☒	Clear brakes	☐	In proper gear	☐	Steady braking on grade	☐	Does not ride clutch	☐	Maintain steady speed	☐	Traffic check	☐	SEARCH	☐	DIRECTION	☐	SPEED	☐	No errors	☒	GENERAL DRIVING BEHAVIOR <table style="width: 100%; border-collapse: collapse;"> <tr><td>Use clutch properly (<i>to shift, double clutched, didn't ride</i>)</td><td style="text-align: center;">☐</td></tr> <tr><td>Used gears properly (<i>not over-rev/lug engine, clash gears, coast</i>) ..</td><td style="text-align: center;">☐</td></tr> <tr><td>Used brakes properly (<i>no hard braking, no riding or pumping brake</i>)</td><td style="text-align: center;">☐</td></tr> <tr><td>Proper steering (<i>both hands on wheel, not over/under steer</i>)</td><td style="text-align: center;">☐</td></tr> <tr><td>Obedied all traffic signs and signals</td><td style="text-align: center;">☐</td></tr> <tr><td>Drove without an accident</td><td style="text-align: center;">☐</td></tr> <tr><td>Never put vehicle over sidewalks, lane markings, stop lines, etc. ...</td><td style="text-align: center;">☐</td></tr> <tr><td>Examiner was never thrown to left, right, or forward</td><td style="text-align: center;">☐</td></tr> <tr><td>Driver was never forced to take evasive action</td><td style="text-align: center;">☐</td></tr> <tr><td>Wore seat belt</td><td style="text-align: center;">☐</td></tr> <tr><td>Yielded right of way to pedestrians</td><td style="text-align: center;">☐</td></tr> <tr><td>Yielded right of way to other vehicles, as appropriate</td><td style="text-align: center;">☐</td></tr> <tr><td>No errors</td><td style="text-align: center;">☒</td></tr> </table> NOTES			Use clutch properly (<i>to shift, double clutched, didn't ride</i>)	☐	Used gears properly (<i>not over-rev/lug engine, clash gears, coast</i>) ..	☐	Used brakes properly (<i>no hard braking, no riding or pumping brake</i>)	☐	Proper steering (<i>both hands on wheel, not over/under steer</i>)	☐	Obedied all traffic signs and signals	☐	Drove without an accident	☐	Never put vehicle over sidewalks, lane markings, stop lines, etc. ...	☐	Examiner was never thrown to left, right, or forward	☐	Driver was never forced to take evasive action	☐	Wore seat belt	☐	Yielded right of way to pedestrians	☐	Yielded right of way to other vehicles, as appropriate	☐	No errors	☒																																																																															
In proper gear	☐																																																																																																																																																	
Stays in right lane	☐																																																																																																																																																	
Uses 4-ways if slow	☐																																																																																																																																																	
Traffic check	☐																																																																																																																																																	
SEARCH	☐																																																																																																																																																	
DIRECTION	☐																																																																																																																																																	
SPEED	☐																																																																																																																																																	
No errors	☒																																																																																																																																																	
Clear brakes	☐																																																																																																																																																	
In proper gear	☐																																																																																																																																																	
Steady braking on grade	☐																																																																																																																																																	
Does not ride clutch	☐																																																																																																																																																	
Maintain steady speed	☐																																																																																																																																																	
Traffic check	☐																																																																																																																																																	
SEARCH	☐																																																																																																																																																	
DIRECTION	☐																																																																																																																																																	
SPEED	☐																																																																																																																																																	
No errors	☒																																																																																																																																																	
Use clutch properly (<i>to shift, double clutched, didn't ride</i>)	☐																																																																																																																																																	
Used gears properly (<i>not over-rev/lug engine, clash gears, coast</i>) ..	☐																																																																																																																																																	
Used brakes properly (<i>no hard braking, no riding or pumping brake</i>)	☐																																																																																																																																																	
Proper steering (<i>both hands on wheel, not over/under steer</i>)	☐																																																																																																																																																	
Obedied all traffic signs and signals	☐																																																																																																																																																	
Drove without an accident	☐																																																																																																																																																	
Never put vehicle over sidewalks, lane markings, stop lines, etc. ...	☐																																																																																																																																																	
Examiner was never thrown to left, right, or forward	☐																																																																																																																																																	
Driver was never forced to take evasive action	☐																																																																																																																																																	
Wore seat belt	☐																																																																																																																																																	
Yielded right of way to pedestrians	☐																																																																																																																																																	
Yielded right of way to other vehicles, as appropriate	☐																																																																																																																																																	
No errors	☒
